

## HAA HAPPENINGS

### Noon Dismissal on Tuesday, 1/15/19

Happy New Year!

I was recently reminded of an event in my life a few years ago that seemed devastating to me. But as I followed the Lord's guidance out of that time, He turned that disaster into delight. My life now is still positively impacted by the Lord's faithfulness during that time. Did you know that He is able to bless us abundantly even in what seems like life's darkest hours? I love what Joseph said to his brothers in Genesis 50:20, "You intended to harm me, but God intended it for good to accomplish what is now being done..." Joseph went through trials that God willing we will never experience; yet through it, all he followed his Creator. That's the condition in the promise that has been given to us in Romans 8:28—All things will indeed work for good for those who love God and are called according to His purpose.

I truly hope that last year ended positively for each of you and pray that the Lord will bless you abundantly this year! Regardless of what blessings or trials you are facing right now, our Loving Creator has promised to make it all work for good if you are willing to follow Him.

God Bless

~Principal Hundertmark

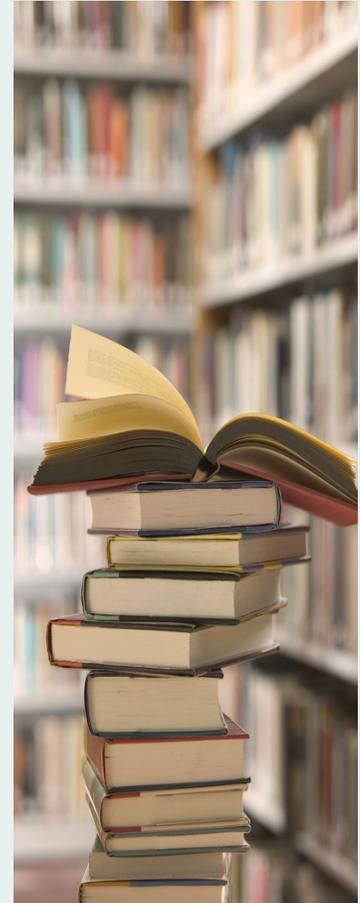

### Special Thanks:

I'd like to thank everyone who reached out (before the break) when we requested help for a student that needed a ride home each day and also (during the break) when we requested help for the two new students that needed transportation to and from school. I'd also like to thank everyone who helped with the lunch that was provided by Home and School just prior to the break. Your willingness to help our students and school do not go unnoticed—here, or above!
